First Day Check-In and Drop off

On the first day of KidSummer you will need to sign your child in at the check-in table located behind the KidSummer building, at the end of the paved walkway. At this time your child will receive a wristband and you will receive a wristband as well as a KidSummer Dashboard Card to identify you as a KS parent along with any other pertinent information.

Remember, we cannot allow your child to attend KidSummer if we do not have all completed paperwork - which includes our Emergency release form, and Immunization Record/Physical exam report within the last 24 months from your child's physician.

You will drop off and pick up your child in the classroom, unless given special instructions by your child's teacher, or by a parking attendant, when the lot is full. Your child must be signed in/out of class each day by a parent/guardian, including the first day.

Drop off is at 8:30 AM and Pick up is at 12:30 PM. When dropping off, or picking up, please place the KidSummer place card on the dashboard of your car so that it is clearly visible, and move toward the east end of the main parking lot near the exit. On rainy days, keep in mind that our parking lot tends to be very full and finding a space may take extra time.

If you are more than 10 minutes late picking up your child, we will assess a child care fee of \$5.00 for each 5 minutes you are late, past 3:40, at the discretion of the administrator. Your child will be in the KidSummer office.

*****Please try to drop off on time as we often start our field activities upon everyone's arrival. If your child is going to be absent/late, please call the Museum at 508-896-3867, ext. 128 to let us know; your child's group may be leaving to go outside for field activities.**
